

# Attention Tennessee Dairy Producers

- ✓ Dairy producers with certification of milk production are eligible to receive CFAP payments from USDA.
- ✓ If you produced milk between January 1-March 31 of 2020 you are eligible to receive \$6.20 per hundred weight produced.
  - For example, you are eligible to receive \$6,200 for every 100,000 lb produced in the first quarter of 2020.
- ✓ Corn silage, dairy steers, and the sale of cull cows may be eligible for additional CFAP program funds.
- ✓ No repayment requirements or application fees to participate. Apply at USDA Farm Service Agency. **Application deadline August 28, 2020.**
- ✓ Contact your local University of Tennessee County Extension Office, USDA Farm Service Agency, or visit <https://www.farmers.gov/cfap> for program details and a list of other eligible commodities.
